Dear Jim,

The Eastern Shore Art Association and its Committee on Public Art appreciate your work in making the Dolphin Family sculpture one of our city's treasures.

We especially appreciate the time you took to meet our people, to make sure the sculpture was placed properly and your kind words at the dedication ceremony and at the reception at Dr. Betty Ruth Speir's home.

Already we have noticed the sculpture capturing the attention of joggers, visitors and residents alike as they stroll down the pathway next to Mobile Bay. In time, we feel the Dolphin Family will be one of our most viewed works.

Jim, it was a pleasure meeting you and working with you. We wish you the best as you continue your work.

With Best Regards,

Kay Friedlander
